BECKER WINS

AWARD

Jim Becker won Grand Champion award on his wheat and oats at the annual Lake County Corn, Egg, Potato and Grain Show December 1 in the local Community Building.

Other boys winning prizes were Bob Howard, Ronald Bukovac, Donald Guske, Dick Sona and John Wirtz, Wayne Reeder and Charles Reeder.

CHORAL

PROGRAM PLANNED

The Triple Trio will sing for the Tri Kappa Christmas party which will be held in the Community Building on December 11.

The A Cappella and Triple Trio, under the direction of Miss Ina Girod, Crown Point High School choir director, will be guest singers for the Rotary Club Christmas party at the Youche Country Club on December 19.

xmas dance

tonight

"Jingle ball, jingle ball, Come to the jingle ball." This will be the theme of the dance tonight sponsored by the Sunshine Society. Everyone must wear bells. If you do not have one, you may purchase a bell at the door for a nickel.

CP Battles

Lowell In

TOURNEY

Next Saturday the Lowell hardwood will be the scene of the 1951 Reserve Tourney. Hobart, Griffith, Lowell, and Crown Point will participate in this event.

Tourney play will begin at 10 a.m. when C.P. will play Lowell. Hobart will battle Griffith at 11 a.m.

At 1:30 in the afternoon the consolation game will be played. The mighty champion will be crowned at 2:30.

Last year C.P. won the Tourney and so Bull Dog rooters are hoping for a repeat this year.

SSS Sponsor

Joy Drive

The Sunshine Society is sponsoring a toy drive for the needy children of Crown Point. The Fixit Club has offered to recondition any damaged toys that are brought in.

A contest will be held among the Home Ec. girls to see who can make the prettiest dresses for the dolls.

Contributions should be taken to Room 4.

LIGHTS Installed

Fluorescent lights were installed in the journalism annex on December 6 by Mr. Merle Boyer of Crown Point.

PRIZE PHOTOS

ON DISPLAY

Seventy-two prize winning photographs made by high school students in all parts of the country, are now on exhibit in the high school.

Selected from winners in the Fifth Annual National High School Photographic Awards, the display includes the First, Second, and Third prize winners in each of the four classes into which the contest was divided.

The contest is sponsored by the Eastman Kodak Company.

PEPSI PROGRAM

FEATURES C.P.

Introducing Your School will be presented on the Popsi Pep Club program on station WVCA December 14 at 5:00 p.m.

A tape recording featuring several of the organizations in CPHS was made December 4 in the Band Building.

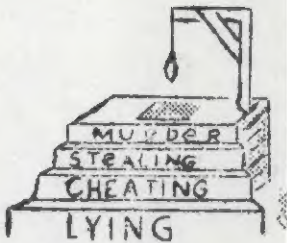

Participating in the program were Gordon Gerdt, representing the Student Council; Phyllis Rosenthal and Jerry Larson, representing EXCALIBUR; Joan Scott, INKLINGS editor; the A Cappella and band. Miss Elizabeth Wright directed the program.

IS IT

WORTH

BY PAT

IT?

Somewhere in the heart of France in a small village stands a hangman's gallows where convicted criminals are put to death.

Inscribed on each step leading to the gallows is a single word, and as the doomed man approaches the scaffold he is reminded of the many evils that have dominated his life and led him to this unfortunate end.

Engraved on the first step is lying; on the second, cheating; third, stealing.....the offenses grow until finally at the top is written MURDER, the most serious crime of all.

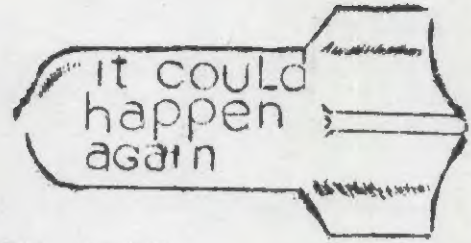

The townspeople of the village have taken this attitude towards crime: "It's the little things in life that lead to the big ones."

Yes, through the ages, this phrase has been proved time and again.

It may not seem immoral to tell a little white lie to keep out of trouble; you may not think it's really cheating to copy just one answer from your neighbor on an exam; and if you are down and out and broke, what's wrong with lifting a wallet from someone who will probably never miss a dollar or two.

Maybe there is a strong argument for doing this. But isn't that what Capone, Dillinger, and scores of other hoodlums once thought, too? And everyone is aware of the direful fate they met.

There is no place for crime in a democratic nation. For a homogeneous world we must have law-abiding citizens who will uphold to the fullest extent the traditions and ideals of their country. It is when these things are not done that communism can step in and over night turn a democratic nation into a totalitarian government.

BY MAC

It was an early Sunday morning in Pearl Harbor. The date was December 7, 1941. Some people were getting ready to go to church and some were coming home from the morning services. It seemed like any other normal, peaceful Sunday. Suddenly though, out of the west appeared tiny specks against the sky. As the specks grew bigger you could see that they were planes. But why were all these planes flying over this sheltered island in the Pacific? When they were directly overhead the people of Pearl Harbor knew what they were doing there.

It seemed as though all hell had broken loose. People began running everywhere. Soldiers were slaughtered as they tried to reach their posts. Hardly an American plane left the runway. The sky became black with planes and bombs, many of which ironically were American-made. It seemed the World was coming to an end.

Yes, December 7 provided one of the blackest pages in our history. Could it ever happen again? The people of Pearl Harbor could answer this.

Ten years have past since this awful tragedy and its meaning has become somewhat dimmed. But we should never forget what happened at Pearl Harbor. Since our country has become an arsenal for atomic weapons, the next sneak attack could hit directly in the United States. Remember Pearl Harbor.

This is your country. You are free to live where you want and attend the churches and schools of your choice.

Cherish these privileges and live up to the ideals of our great American heritage.

MUSIC DEPARTMENT PLANS YULETIDE PROGRAM

The Christmas Band-Choral Concert will be presented this coming Sunday evening, December 9, at 7:30 p.m. The public is invited to attend this yuletide program held each year in the Community Building. No admission will be charged.

The band and choruses, under the combined direction of Miss Girod, choir director, and Mr. Frederick, band instructor, will sing and play a variety of popular Christmas songs.

The music department has worked diligently for the program this year, spending many school and out of school hours rehearsing and preparing for the gala event. From the looks of the program the evening should prove to be a very entertaining and enjoyable one for the whole family.

Will you be there?

DEBATE CLUB ATTEND CONFERENCE

Off again on a field trip the Debate Club attended the Debate Conference at Purdue University last week-end. The program consisted of speeches on the debate subject for the year "Resolved-- that all American citizens should be subject to universal conscription in time of war" and a debate held between the state winners of Ohio and Michigan. The Purdue Playhouse presented "Macbeth" in which Bob Kubal, former CPHS student had a part. The debate squad also attended a banquet and took part in an extemporaneous speech contest. Out of some 250 contestants Dick Patterson was rated 5th. When a sophomore, he placed among the top ten of the contest.

MAGICIAN SCHEDULED FOR ASSEMBLY DEC. 14

What is announced as an amazing assembly will be presented to the student body December 14. Mr. Rodman is a magician and the things he does will astound you. "Don't be too surprised if you even find a rabbit in your hat," said Mr. Walker in commenting on this program.

December 21 the Christmas assembly will be sponsored by the Student Council. Gordon Gerdt, council president, says details of the program have not been planned yet.

Fourth Period Shop Sets Record

Mr. Church has challenged all other classes in high school to beat the attendance record of the fourth period shop class. They boast that 11 boys have missed a day and only four have been absent one day.

A visit by Mr. Carl Erwin, personnel manager of Edward Valve Corp., was the highlight of Monday November 26. Mr. Erwin told Mr. Hale that the students working there from C.P.H.S. are doing very nicely. "The Edward Valve Corp. would like to have more good students from the C.P.H.S. shop," said Mr. Erwin. Mr. Erwin remained in the shop first period and home room.

The shop and drawing classes are planning to make trips early next semester. The shop students are planning to go to the local repair and carpenter shops; the drawing class will go to the Edward Valve Corp. in East Chicago.

S.C. DECK THE HALLS

Christmas decorations for the halls was the main topic of the student council on Thursday November 29.

A committee with Sue Lunbeck chairman, Judy Rogers, Faye Stuhlmacher, Chuckie Hartley, Norma Schroeter, Bob Armstrong, Bob Hobson, and Gordon Gerdt was formed to do some of the decorating last Friday Nov. 30. Another group including John Friend, Betty Sigler, Judy Burns, Eppler Gruenhagen, Paul Seegers, and Bob Barnacastle finished the decorating Saturday.

G.A.A. ENJOY SWIM

"Splash!" "Watch out below!" These words were echoed at the G.A.A. swimming party which was held at the K. of C. pool in Gary, December 3. Forty-five girls attended.

UNEXPECTED FLOOD CAUSES DAMAGE

Water trickling down from the second floor has done a considerable amount of damage to books and other equipment around old C.P. Mr. Risk says 12 books and workbooks have been turned in. The total cost of books water soaked is approximately \$18.

"We are going to pay about one half the original cost to the owners so when they sell them next year they won't lose too much on them," continued Mr. Risk.

A number of books were also injured in the library. The number and damage have not yet been disclosed.

ALUMNI VISIT CPHS

Ann Hathaway, Reider Frederixen, Marion Moe, Betty Bullock, Betty Jaegar, Harold Zimmerman, Ed Dickerman, Ed Cutshaw, students at I.U., visited with teachers and students of C.P. on Nov. 21.

Dick Kruzan, a former editor of the INKLINGS now in the air force, also visited the school.

THE BUZZ SAW

A coffee table battered and worn was given by Mr. Kyle to the Fix It Club to repair. After they were through, it looked like new.

They have also fixed a stool for Mr. Church and a ladder for Mr. Kyle. "The ladder gave us a lot of trouble though," said Jerry Thompson.

If you would like to have anything repaired (and they do mean anything) contact the fellows in fourth period shop class.

14 SHOPPING DAYS TIL XMAS

SERVICE SCOPE

BY GLENN

The Inklings wishes all service men ~~here~~ and abroad, a very Merry Christmas.

Robert Vincent, a former C.P. student, was recently stationed at the Great Lakes. He was then afloat for four months on the Saipan, and is now home on a ten day furlough. He is due back at camp on Dec. 3. So unfortunately he will just have to dream of a White Christmas. His address is P.A. Robert R. Vincent U.S.S. Saipan C.V.L., 48 c/o Fleet Post Office New York City, New York

His brother, P.F.C. Roy Vincent was formerly stationed in New York, but is now in Texas in the Air Corps, studying mechanics. He hopes to be home for Christmas. Letters will reach him at this address.

P.F.C. Roy P. Vincent, 16378024 3767 Student Squadron Sheppard Air Force Base Wichita Falls, Texas.

Robert Hinton and Herbert Baker are like twins since they joined the Marine Corps. They graduated together, joined the Marines, and were sent to the Caribbean and Mediterranean theaters. Both took maneuvers in Puerto Rico. Now, both are stationed at Camp Le Juene. Their addresses respectively are:

PFC. Robert Lee Hinton, 1155398 E. Co. 2nd Battalion, 6th Marine Regt. 2nd Marine Div. Camp Le Juene, North Carolina
PFC. Herbert Baker, 1155397 C. Co. 2nd Battalion 6th Marine Regt. 2nd Marine Div. Camp Le Juene, North Carolina.

AG BOYS SEE STOCK SHOW

Early November 28, the 4th period Ag. Class and their sponsor Mr. Dean, left to see the International Live Stock Show in the Windy City of Chicago.

Before going to the Live Stock Show they toured the produce market and watched the auctioning of car loads of fruit. This produce is sold by signals from buyers and just so much as a glance at the auctioneer can serve notice to him of one's bid on produce.

A short tour of the market warehouse proved quite profitable, Alfred Doty will vouch for that. It seems they have excellent fruit.

The boys then left for the Live Stock Show and watched the judging of the Champion Steer. They found the horse show very interesting. Wayne Jordan tried to make friends with a horse, but the horse didn't have the same idea. He returned Wayne's friendship but by attempting to bite him on the cheek.

Mr. Dean said, "I feel that the trip was highly successful and the boys enjoyed themselves greatly."

Homemaking Plans Xmas Party

The Junior Homemaking class of C. P. H. S. is planning a Christmas party for their small sisters and other young tots under 5 year of age.

Santa Claus will be there from 4 to 5:30. Entertainment Committee is collecting Christmas stories suitable for young children which will be told during the afternoon.

The entire class is working hard on stuffed dolls which will be distributed to each child by Santa Claus. Liz Valenti is chairman of the Entertainment Committee; Marietta Hummel chairman of the Food Committee, and Marilyn Stephenson chairman of the Decoration Committee.

DIS 'N DAT

This is your friendly little eavesdropper saying hello to everybody.

Boy, these Merrillville boys sure get around. JACK HILLIS, one well known to C. P. girls, is going steady with MARY LOE SCHLER.

It seems that JOE DIPACCA has finally put a ball and chain around ELLEN TURNQUIST'S neck (well -- anyway his ring on her finger.)

DON PATZ has a date with BILLY HUNT for Lowell's Christmas Formal.

MARY SPURR and KENNY KAIN are happily going steady; seems as if the old flame has been renewed.

There is a new triangle between BETTY HALL, WILLIE FUCHS, and BETTY COPPAGE-----best of luck BETTY!

WAYNE JORDAN'S magnetic charms have at last melted the heart of AVENAL GAMBELL, but what of JOHN KABELLA????

BONNIE LICHT and JOHN SMEAD have been one of our steady couples this year. Let's give them our congratulations.

DON SPURR seems to pay a lot of attention to SHIRLEY SCARBOROUGH--especially at the dance before Thanksgiving.

DON NELSON wouldn't mind giving his football letter to SUE HIGGINS would you DON???

CHARLOTTE ROUHSELANGE seems to have fallen for a Hobart football player named JACK MATHIS. Heard she met him at the Hobart Dance.

What was so special about the two Indiana State boys JOAN SCOTT and PAT HART went to Chicago with a few nights ago? From what we heard they had a rip-roaring time!

Have you heard the latest!???? MERLE (Shorty) STUHLMACHER is going steady (he says) with BARBARA THOMPSON.

BILLY BECKER seems to get a lot of mail--especially from JOEY ROWE. Don't you, BILLY??

DRAWN FROM MEMORY

Decorations, Christmas pictures, Christmas projects, advertisements . . . HELP!! The art class is being flooded by the Christmas rush.

Eloise Barnacastle, Janet Hedloff, Cynthia Fairbairn, Dorothy Klingerman and Donna Nice are busily decorating the bulletin board. Everyone is working on the display window exhibits for the high school.

Yvonne Gignac is still thinking of different ways to use horses in her Christmas projects. She even tried putting them on Xmas cards but gave up and turned the horses over to Kathleen McGinnis.

What's that in the back of the room? It's a miniature Santa Claus for the display window. Bob Bowman, Tom Bowman, and Don Bennett are working feverishly on it.

Judy Southworth and Norma Schroeder are making murals for the arches in the hall.

Norma and Ann Marie Bowers are also making medallions of their class rings.

What's this we hear about JUDY BURNS being C.P.'s "Nature Girl"?

Just who could "BON-BON" be? That's what quite a few of the students who have classes in Room B are wondering.

We understand that TOOTIE WILLIAMS is sporting a certain senior's class ring. His initials couldn't be JOHN HANDLEY, could they, TOOTIE?

Another senior girl is now wearing an engagement ring. GWEN HARMON hooked (or vice-versa) BOB KELSEY.

BILL DANKERT finally gave up his class ring to his one and only SHIRLEY COOPSTICK. Good luck, kids.

BARBARA PETERSON

WINS AWARD

by joan

Barbara Peterson, Crown Point senior, has been chosen to receive the D.A.R. Good Citizenship award for 1951-52, Mr. Walker informed Barbara of her award last week.

"Pete", as most students know her, is certainly deserving of this honor. It cannot be achieved simply by attaining superior grades, for a genius is often not a good citizen. The D.A.R. Good Citizenship award is attained through displaying qualities of dependability, service, leadership, and patriotism. And these qualities should be apparent through all four years of high school.

Ever since her Freshman year, Pete has worked not for herself, but for the class. Her class members seem to realize this because they elected Pete to a class office during her freshman, junior, and senior years. She constantly backed the C.P. athletic teams and encouraged the students to do the same. Pete didn't expect any recognition for that work. She was simply helping her class in school.

A three hour question exam was given to Pete Monday, December 3. This paper was sent to the D.A.R. Chapter Chairman who submitted it to county judges. A county winner will then be chosen from the individual schools.

Judges appointed by the D.A.R. State Regent and State Chairmen will select one from the county winners who will be Indiana's Pilgrim.

Barbara will receive her Certificate of Award from the D.A.R. representative of the local Crown Point chapter at the C.P. honor assembly, which will be held next spring.

CLUB n CLASS

BY PETE

Well, here I am again with your Club'n Class news. Say if anything happens in one of your classes or organizations that I don't hear about, why not give me the "info" and I'll write it up for the ignoble INKLINGS!

The Juniors have finally come to a decision about sweaters. They're going to be grey sweaters with maroon letters. Sounds pretty sharp, doesn't it?

The Seniors are still plugging along trying to sell their bumper emblems. Incidentally, have you gotten yours yet?

Tuesday nite starts girls basketball and last year's champs are wondering what's going to happen to them without Pee Wee Glassford.

The Sunshine and Hi Y hold their meetings last Tuesday and discussed plans for having a joint semi-formal dance on December 26 for members and their guests. No definite plans were made regarding this situation though.

The West Crown Point 4-H Club met and elected the following officers: As president Tod Gruenhagen, vice-president Dick Mihalovits, treasurer Paul Jacobs, secretary George Komechak, reporter Eppler Gruenhagen, health and safety leader Charles Yingling, recreation leader Alex Mihalovits and song leader Bob Barnacastle.

Plans for a joint 4-H and F.F.A. Christmas party are being made.

Miss Swartz's Public Speaking class judged a debate Monday, November 26, in Room 7.

The affirmative team was Bill Perry and Tom Dickerman, while Dick Patterson and Al Teagle composed the negative.

TOP TEN

The Top Ten is determined by your votes in this way: a paper containing 15 to 20 popular songs is passed around in study halls for students to choose their favorite songs. They vote by checking two (2) marks after their favorite and one (1) after their second choice.

The yuletide season is just around the corner, but none of the Christmas songs have made the "mentionables" yet.

Some of the favorites that didn't make the Top Ten include "DETOUR"...."CHARMAINE" (semi-classical, beautifully done on strings)...."DOMINO"....."TOO YOUNG" (this came out a half-year ago)...."FLAMINGO" (of course, this means Frankie Carle.)

A new song called "THE LITTLE WHITE CLOUD THAT CRIED" and "OUT IN THE COLD AGAIN" are also fairly popular.

Now here comes your Top Ten:

- No. 10. "THEY CALL THE WIND MARIA"
- No. 9... "UNDECIDED" (the Ames Brothers made a hit with this one)
- No. 8..... "I GET IDEAS"
- No. 7..... "HEY, GOOD LOOKIN'!"
- No. 6... "SLOW POKE" (I like it.)
- No. 5..... "BECAUSE OF YOU"
- No. 4... "COLD, COLD HEART" (This song and "BECAUSE OF YOU" by Tony Bennett have sold over 5 million records.)
- No. 3..... "SIN"
- No. 2.. "SHRIMP BOAT" (Here's a 'catchy' tune, which 'caught' quite a few votes.)
- No. 1.. The Top Tune of the week, the song that has swept the school by storm... that rag-time Dixieland number... "DOWN YONDER."

GAA End Journey

"May the best team win," were the words echoed last Wednesday December 5, when Claire Phillips and Barbara Newman's volleyball teams competed for the G.A.A. Volleyball Championship Tourney in gym.

CLIPPINGS BY HEDGES

Let's start this survey with a consideration of common house pets such as horses, smiling dogs and brothers.

Doris Jones possesses a southern dog by the name of Rip Van Winkle Jones. Doris says at times she swears the dog is smiling at her (knowing Doris, who could blame the dog!)

Mary Lou Dannehl has a collection of calves. One name, especially, attracted me, "Bunny Primrose Man O War". This means the calf had ancestors. His family tree boasts more illustrious ancestors than Elsie, the Borden cow. Bunny's great-great-great-grandmother arrived with the Pilgrims in an airplane over 200 years ago.

Marilyn and Barbara Moore own a six foot dog (when it's standing on its toes) by the name of Jill. The dog has strange sleeping habits. It lies on its back, sticking its feet in the air and lets its tongue hang out. You see it has a slight case of asthma. Jill lives on horsemeat.

Speaking of horsemeat, Ellen Turnquist has a horse which has a habit of stepping on people's feet. Funny thing, many of these animals seem to have the same characteristics as humans.

Lovena Williams has one of the most common animals found in a household, a little brother. Lovena says he bears a slight resemblance to Porky Pig.

Barbara Joens owns a parakeet christened Jo Jo. Its god mother is Joy Shimko. In other words the bird was named after her. Shirley Stuhlmacher acquired two Spitz (dogs). Shirley says they eat as much as she does. (?) Mary Aiken is a real Crown Point fan, owning a moderately sized bulldog.

BASKETBALL ROUNDUP

BY
DON

The 1951 - 52 basketball campaign is officially underway throughout the state. Everyone of the 676 high school round ball teams has tipped the lid.

Four of the bigger schools have already been beaten. Marion stepped Kokomo 58-57 in an overtime, Anderson nipped Lafayette 68-67, South Bend Riley edged Logansport 37-36 and Lawrenceburg clipped a four game winning streak for Madison, 46-43.

Indianapolis Attucks, supposedly the toughest team in the Naptown area, slaughtered Otterbein 92-29. The Eskimos of Winslow also had easy going as they dumped Dubois 69-42 with a fellow by the name of Bryant setting the season's scoring mark with 43 points on 15 buckets and 13 charity throws.

Auburn got its fourth straight victory from the hands of Fort Wayne South Side by a 43-20 count. Moving across the city of Fort Wayne we have Fort Wayne North Side, predicted by many as one of the state's best hoop-teams, opening their season with a bang by walking all over Decatur 75-43. Still in the Northeast conference Columbia City suffered its first loss of the season by a 61-56 score inflicted upon them by Kendallville.

There is one team we can't forget this season again and that team is Muncie Central, last year's state champions. Muncie whalloped Winchester 52-41 in its last game.

One of the tougher smaller schools in the state is Rising Sun, who in their last game, belted Austin 78-31.

These are most of the tougher schools in the state. Anyons of them could come through at tourney time. As every year there will also be some unheard of teams who will give the fans a thrill by dumping some of the big schools and maybe will end up at Butler Field House.

BARR WINS ADDITIONAL HONORS

Trackstar Ron Barr was designated in the 1950 EXCALIBUR as Crown Point's "pride and joy". Although Ron is no longer an actual member of C. P. H. S. he is still "our pride and joy".

Recently, Ron, a sophomore at Michigan State, proved himself one of the outstanding up-and-coming track stars in the Big Ten and even the entire nation.

In the Big Ten Cross Country Meet a few weeks ago, Ron severed the tape in fifth position. He also was the second Michigan State Harrier to flash over the stripe.

Last week-end in the National Cross Country Meet held at East Lansing, Michigan, Ron came in 11th. Ron was competing with the best cross country men in the entire nation. This time he was the first Michigan State runner to finish.

Next year, Ron will no doubt be among the favorites in the Big Ten and National Cross Country Meets. We are all proud of this great competitor and man of endurance.

Ron Barr is truly one of the greater athletics to graduate from Crown Point High School.

CONTEST DATE ANNOUNCED

The closing date for the school wide photography contest sponsored by the CPHS Camera Club has been set for Jan. 9. The contest rules will be printed in the XMAS issue.

With the season still in infancy it's hard to tell just who is going to be tough and who isn't. There is, however, one team that is especially impressive and that team is Winslow. Their record for the past 3 seasons is 71 victories out of 77 games. Keep your eye on Winslow and you may find them at Indianapolis next March.

BEAVERS BITE

BULLDOGS

Coming from behind at the end

of the half, the Beavers of Morocco rallied in the last quarter to edge the Bulldogs 42-39. It was Crown Point's third loss in four starts.

Showing more spark than in their three previous games the Bulldogs pulled out in front early in the first quarter. Leading 6-2 on field goals by Zellers, McLean and Becker, Crown Point had their lead cut to 11-10 at the end of the first quarter. In the second quarter Morocco came to life and after three quick field goals led 16-11. Crown Point then dumped in 5 straight field goals by McLean, Zellers, Johnston, and Schmal and led 21-16. Each team scored one more field goal and Crown Point led at the half 23-18.

In the third quarter Morocco came to life again and scored 9 points to the Bulldogs two, to lead 27-25 halfway through the third quarter. At this point, both teams put on a splendid defensive show and at the end of the third quarter, Crown Point led 32-31.

Continuing the brilliant defensive plays, both teams remained within two points, with the lead changing hands several times. The turning point came when Becker fouled out. This, combined with Morocco's deadly shooting, which was over 50% in the second half, enabled Morocco to take and maintain the lead. The final score read Morocco 42; Crown Point 39.

INTRA MURAL NEWS

The Saturday league intramurals got underway last Saturday with the following results: The Braves knocked off the Tigers; the Wildcats whipped the Indians; the Hoosiers nipped the Bulldogs, and the Yanks toppled the Hornets.

CROWN POINT EDGES HEBRON

Playing a hard fought and obscure game on their opponents home floor, the Bulldogs of Crown Point won their first game of the season by defeating Hebron 33-30.

Leading 7-5 at the end of the first quarter, and 11-10 at the half, Crown Point was out scored in the third quarter. The score being at the end of 3 periods 24-24.

With two and a half minutes remaining to play, the Hawks leading 30-29, put on the freeze. Hebron held the ball for over two minutes.

With only 15 seconds remaining to play Crown Point stole the ball and Ed Zellers sunk the deciding field goal to give Crown Point a 31-30 lead. With eight seconds left, Hebron started up the floor with the ball, but again the Bulldogs stole the ball. Ronald Wise sunk the final field goal just as the game ended to make the final score 33-30.

FRESHMEN LOSE

INITIAL GAME

The freshman team lost its first game of the season to Hobart by the score of 25-24. Jerry Kaiser and Al Seramer led the Bulldog scoring attack and with the aid of Karl Mitch on the rebounding end showed great signs of a very promising season to come.

The noon league intramurals moved into a five way tie this week as the Dodgers upset the first place and formerly undefeated Cardinals by a score of 13-8. The Cards had previously gone into first place when the Tigers lost to the Senators 18-12.
